RMIC has updated its Servicing Guide and Delinquency and Claims Guide. The updated Servicing Guide provides details on the processes for servicing RMIC insured loans as well as information on the HARP program. The updated Delinquency and Claims guide provides information regarding loss mitigation, the servicing of delinquent loans, as well as the claims process.

These updated guides can be found under the Guides and Forms section of our website. The respective forms utilized in the servicing and claims processes can be found under the Guides and Forms section as well.
